

St Ebbe's
C of E (Aided) Primary School

Passport around the world - Rainforests Year 3

KEY AREAS OF LEARNING

As Geographers we will: **add in curric obj

Ask geographical questions, for example 'What is this landscape like?'

Use appropriate geographical vocabulary, for example: rainfall, climate, Tropic of Capricorn etc.

Use atlases, globes, maps and plans at a range of scales.

Use secondary sources of information including aerial photographs, stories, information texts, the internet and satellite images.

Identify factors that affect the rainforest, for example, climate, deforestation, tourism and land-use.

As Scientists we will:

Identify living things and their habitats.

Group living things and their habitats by comparing their similarities and their differences.

Name a variety of living things in their local and wider environment

Identify how dangers can pose a threat to living things and their habitats.

Study a range of animal skeletons and discuss how they support and protect the body.

As Artists and Design Technologists we will:

Be inspired by the works of Henry Rousseau.
