

Year 5 Weekly Newsletter

Friday 9th March

Dear Parents / Carers,

Everything is back to normal, and far more Spring-like, this week – something that some children are lamenting! But here in Year 5, we love teaching our classes and we feel that this week has (almost!) been as much fun as last week.

After working on converting between different metric units of measurement in Maths, we have then gone on to investigate and find the perimeter, area and volume of objects around the school. Practical and hands-on Maths is certainly a staff favourite, and we have had an overwhelmingly positive response from the children too. So, we challenge you to have a go at home!

We have finished off our brochures, advertising holiday destinations, in English – which were inspired by the family's (from *The Wolves in the Walls* by Neil Gaiman) dilemma on where they should go and live now that "it" was all over. What's "it" you say? Well, you'll have to go away and read the book and make up your own mind, because we never quite find out...

Thank you for the **Yenworthy** permission slips that we have had so far! A reminder that Limpopo are going on Monday 30th April to Friday 4th May and Yangtze are going on Monday 14th May to Friday 18th May. Please come and speak to us if you have any concerns or questions.

 **Please may we remind you that all children need their indoor shoes in school each day.** 

Best wishes,

Mrs Horn and Mr Panzer
