Friday 16th March 2018

Phonics

This week the children have been exploring phonemes ee and igh. If you are unsure of how these phonemes sound, please consult Mr. Thorne.

<http://mrthorne.com/the-igh-sound-2/>

It is important that children are beginning to write simple cvc words, joining them together with their key words to create a simple sentence, for example, 'We put on a light at night.'

Please continue to use Epic Phonics to help children learn their tricky words. These songs can also be found on youtube.

Sharing Assembly

This week in literacy we focused on preparing for our assembly. All the EYFS staff were very proud of how well the children said their lines and sang the songs. Thank you for practising at home and providing the children with wonderful costumes. They all looked amazing. Please do not upload any videos / photographs of the children's performance onto social media.

Mathematics

It is now important that children can count to 20 (including counting a group of 10 - 20 objects and finding the matching numeral), order and write numerals to 20. Please practise this at home. When your child is confident counting, ordering and writing numerals to 20 please explore 1 less than and 1 more than between 0 - 20.

Parent Teacher Consultation

Please make sure you have checked the appointment page for your consultation next week. If you are unable to attend, please speak to the class teacher.

Registration

With kind regards, *Ms Woods, Mrs Stowe, Mrs Wilkes, Miss Bishop and Miss Conde*
