Fire! Fire! - Year 2

Spring 2017

KEY AREAS OF LEARNING

As Scientists we will classify materials and identify and compare their suitability.

As Historians we will find out about the Great Fire of London and the diaries of Samuel Pepys.

As Design Technologists we will make historical houses.

As Artists we will design and decorate our own shields. We will create 'fire displays'.

LITERACY

- Read accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes.
- Write chronological and non-chronological reports (events in the Great Fire of London and castle reports).
- Learn how to use both familiar and new punctuation correctly, including full stops, capital letters, exclamation marks and question marks.
- Proof reading to check for errors in spelling, grammar and punctuation.

MATHEMATICS

- Tell the time and solve time word problems.
- Know basic time facts, e.g. number of minutes in an hour.
- Identify 2D and 3D shapes and describe their properties.
- Compare and sort common 2D and 3D shapes.
- Continue to develop addition and subtraction calculations.
- Count forwards and backwards in 2's, 3's, 5's and 10's and link to the times tables.

COMPUTING

- We will use technology purposefully to create, organise, store, manipulate and retrieve digital content, using iPads to find out information about castles and the history of London. We will recognise common uses of information technology beyond school and use it safely.

PE

- We will participate in team games, developing simple tactics for attacking and defending.
- We will improve running and stamina.

RE

Is it important to celebrate the New Year?
We will explore the ways that different people and different faiths celebrate New Year.

MUSIC

We will learn to play the recorder, playing notes, keeping in time and playing as a group.
