

Swan Class

18.5.2018

Dear Parents/ Carers,

This week the children have written excellent recounts about the Roman invasion of Britain. They have been working very hard on their punctuation and handwriting, as well as using adverbs of time to begin their sentences. Next week, we will be learning about Julius Caesar and Boudica.

In maths, the children have been learning to find the perimeter of a 2D shape. They have also designed a floor plan for a Roman Villa and measured the perimeter of each room. Next week, we will be working on drawing 2D shapes and identifying right angles. Over the weekend, please look at the names of 2D shapes, including pentagon, hexagon, heptagon and octagon.

On Thursday, we had a fantastic Roman Day; we made Roman shields and we were visited by Kevin the Roman who regaled us with funny and sometimes disgusting Roman tales!

Have a wonderful weekend!

Yours sincerely

Holly Welham
