

## Swan Class

25.5.2018

Dear Parents/ Carers,

It has been a fantastic half term, the children have worked incredibly hard and they should all be very proud! This week, we have re-enacted a very lively Roman battle and used this to write a recount from Boudicca's point of view. Next term, Africa and its wildlife will be the focus of our literacy, ready for The Lion King key stage 2 production!

In maths, we have been looking at 2D shapes including what makes a regular and an irregular shape. We will now be moving on to angles; the children will learn to identify right angles as well as acute and obtuse angles.

In Science, we have been growing our own broad bean plants and the children have taken to gardening with great enthusiasm!

Next term promises to be very exciting with the Lion King and lots of opportunities for outdoor learning. I look forward to seeing you all next term.

Have a fantastic break!

Yours sincerely

Holly Welham
