

Swan Class

11.5.2018

Dear parents/ carers,

This week we have started to learn about the Roman invasion of Britain. The children have produced comic strips to illustrate this and begun writing up the timeline in full sentences, with a focus on adverbs and conjunctions expressing time. In maths, the children have been learning to calculate the perimeter of shapes and exploring the most efficient methods to do this.

Thank you for bringing in cardboard for shields. Don't worry if you haven't done this yet, we won't begin them until Tuesday.

Lastly, next Friday is our sharing assembly if you would like to join us.

Have a fantastic weekend.

Yours sincerely

Holly Welham
