

## Year 2 Weekly Newsletter

25.5.18

This week has been especially busy with the final part of our Sats. The children first took the Arithmetic paper followed by the Reasoning paper. They worked really hard, especially on the second one which was rather long!

They have much enjoyed keeping a close eye on their broad beans! Some children recorded with excitement that some of their plants had grown more than 30cm in less than a week! Keeping a diary has helped them to record and compare changes, using their writing skills within a scientific context.

### Homework

Please read with your child every day (10-15 minutes is ideal), whether that is listening to them read to you or reading a story to them. **Thank you for your continued support with this.**

Our new theme is: **Around the World**

We would like your child to bring in a photograph or postcard of somewhere they have visited around the world. This could have a connection with a family member or just be from a holiday.

Please bring these in for the first week back.

*A lovely half-term to you all!*

### Cotswold Wildlife Park:

**Tuesday 12th June We are very excited to be going to CWP on this date. Please ensure that you have given permission and a voluntary contribution towards the cost of the trip as soon as possible.**

**The letter explains the details, but we will most likely need some helpers for the visit. Please tick the appropriate box on the form and we will contact you. (Thank you to those who have already returned the forms).**
