

Liffey and Congo Weekly Newsletter

11/5/2018

This Week

This week in Literacy Year 1 have continues to explore the story 'Honey in Trouble'. The kids stepped out the story in order to help memorise it, before producing some fantastic written retellings of the tale.

In Maths we have been looking at division through sharing objects into groups. The children used a number of practical resources and visual stimulus in order to help them.

We have been continuing to learn our May dances within our PE lessons. The children's enthusiasm for these dances is great.

If you would like to speak to the class teacher at all, please book a meeting.

Morning Work:

Please can you ensure that children arrive promptly in the morning. We introduce morning work in the Spring term and it is important for all children to take part in this learning. If children regularly miss morning work we will start to send the work home to be completed that evening.
