

Dear Parents/ Carers,

This week has been a difficult week for the children and the staff at St Ebbe's, I want to thank you all for your support and kind words. We have spoken to the children a lot in assemblies and in class. I was particularly worried about our class, as they already found the tragic death of Miss Unia difficult to understand but to also hear about the death of a pupil is hard to deal with. I have wanted to make sure that they can talk about it and have the opportunity to do so. Please let me know if there is anything I can do to help, See Saw offer guidance to parents which Mrs Bagnall has attached in a parent mail to you all. Despite our tragedy we have kept busy this week, to those of you that attended Festival of Voices yesterday, it was a wonderful day and I was so impressed with the children. I hear that the Roman workshop was also a huge success, the children learnt about how to write in Roman and explored many Roman artefacts.

We have continued our focus on geometry in maths. We have moved on to look at coordinates, with a particular focus on the first quadrant. We have had a lot of discussion about horizontal and vertical, about what an axis is and how to plot on a grid. The children particularly enjoyed watching the Number Rock clip about coordinates on YouTube, do check it out. We will continue with this after Hill End next week.

In Literacy this week we have continued writing our newspaper reports as to why fewer women play football than men, the children have been very engaged with this topic.

Hill End

Hill End is on Monday and Tuesday next week. Please don't forget the following items sleeping bag, pillow cover, packed lunch and most importantly a water bottle. I have just looked at the weather and the forecast mentions highs of 25-26 degrees. It is very important that you provide your child with a sunhat, a water bottle and sun cream. We are ver excited especially that we are predicted great weather but we need to make sure we are all protected. Do check the Hill End letter that was sent out for all other details, otherwise drop me an email over the weekend if you have any concerns.

Classes

I can now announce to you that next year the class teacher will be Mr Panzer, he is a fantastic teacher and he is very excited to have this class. All other classes will be as follows:

- a. Liffey to Seine
- b. Congo to Thames
- c. Seine to Swan (Mr Hopkins)
- d. Thames to Pangani

- e. Swan to Danube (Mrs Sumser)
- f. Pangani to Amazon
- g. Amazon to Limpopo
- h. Danube to Yangtze
- i. Limpopo to Haro
- j. Yangtze to Ob (Miss Payne)

Important notices:

1. We are desperate for cardboard, please bring any shapes, any sizes in to make props for our summer production.

As always, if you have any concerns or queries please send me an email.

bcra1989@st-ebbes.oxon.sch.uk

Have a lovely weekend.

Best wishes,

Betty Cranham
