

# Liffey and Congo Weekly Newsletter

29/6/2018

## This Week

In literacy, we have been innovating the story of 'catch it'. This process involves the children retelling the story and altering the character, setting, or both. Additionally, we have been focusing on our letter formation. Please can you practice handwriting with your child this weekend. Don't feel you must limit yourself to a pencil and paper- you can use chalk outside, paint or any other creative way to help develop these skills.

In maths, we have been learning data handling. We have been exploring tally charts and how to relate this information into pictograms.

In PE, due to the hot weather, the children explored balance and stretching in the shade. We related these poses to animals and had lots of fun in the shade.

## Sports Day July 5<sup>th</sup>

Please can all children come in their sports kit, wearing sun cream and have a water bottle. It will take place in the morning and be finished by lunchtime.

## Farmer Gow's

Please can all children be in school by 8:40 ready to leave at 8:50. All children need a packed lunch and water bottle. We aim to be back just before the end of the school day.

## Morning Work:

Please do ensure that when you have dropped your child off in the morning that you are to leave promptly. It supports the children with transition and helps them begin their learning for the day. We understand that there are times that you will need to speak to us, therefore please can you book an appointment. We are more than happy to schedule time for you and your child's needs.

## Farmer Gow's School Trip.

We need helpers! Please speak to Miss Smallman or Miss Woodward about helping on the school trip. Without the volunteers, we won't be able to go!
