

Liffey and Congo Weekly Newsletter

15/6/2018

This Week

In literacy, we have been writing the story of 'catch it'. Additionally, we have been exploring African Savannah animals. From this, we have been looking at how we can use adjectives to make our work more interesting.

In maths, we have been revisiting addition and subtraction. We have been using a range of resources to deepen our understanding.

Miss Unia Day was a wonderful way in which to honour a very beloved member of staff. The children spent the day playing outside, challenging themselves to face their fears and learning to support each other. Outdoor education was a passion of Miss Unia's and the Year 1's embraced this beautifully!

Miss Woodward will not be at school from the 18th of June to the 22nd of June as she will be in Wales with the Year 6 classes. If there are any issues you need to discuss whilst she is away, please email the office so that they can contact her.

Homework

This week's spellings are;

Catching sleeping looking swaying playing danced called looked jumped

Morning Work:

Please do ensure that when you have dropped your child off in the morning that you are to leave promptly. It supports the children with transition and helps them begin their learning for the day. We understand that there are times that you will need to speak to us, therefore please can you book an appointment. We are more than happy to schedule time for you and your child's needs.

Farmer Gow's School Trip.

We need helpers! Please speak to Miss Smallman or Miss Woodward about helping on the school trip. Without the volunteers, we won't be able to go!
