

# Liffey and Congo Weekly Newsletter

6/7/18

## This Week

Liffey and Congo have had a very exciting week! Monday's trip to Farmer Gows was amazing and the children all really enjoyed it! We had the opportunity to feed geese, lambs, sheep and pigs which was a great experience. We were also able to go on a tractor ride around the farm which meant we were able to see some of the larger animals such as the cows. **Thank you so much to the parent helpers for coming along and making this trip possible!**

A huge well done to Liffey and Congo for their fantastic participation in sports day. Despite the heat, you were all cheering each other on and trying your hardest so well done!

In art this week we created whole class banners for International day. The children learnt about flags from different countries then had the opportunity to draw them.

## Morning Work:

Please can you ensure that children arrive promptly in the morning. We introduce morning work in the Spring term and it is important for all children to take part in this learning. If children regularly miss morning work we will start to send the work home to be completed that evening.

## Reading Books

A number of children have continuously not had their reading books in their bag. We do aim to read with every child at least once a week, however are unable to do so if your child does not bring in the book or book bag. Please ensure they have it so we can read with them and change it when necessary.

If your child has not finished their reading book please do not feel as though you have to change it.

## Advanced Notices

The last day of school will be Tuesday 24<sup>th</sup> July and the children will
