Introduction

St. Ebbe's School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance including e.g. newsletters and end of term reports.

School attendance is subject to various Education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education (DfE).

Each year the school will examine its attendance figures and set attendance/absence targets. These will reflect both national and Oxfordshire attendance targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it, the procedures that the school will use to meet its attendance targets.

School Procedures

1. Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised (C, I, M, B, P, J, R), unauthorised (O, G) or as an approved educational activity (V, W) (attendance out of school). These codes are available on www.gov.uk as approved by the Government.
2. Only the Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

Lateness

1. Morning registration will take place at the start of school at **8:55am** am. The registers will remain open for **30 minutes**.
2. In line with safeguarding procedures any pupil arriving after this time will be marked as having an unauthorised absence (U) unless there is an acceptable explanation i.e. school transport was delayed (L).
3. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate absence code will be entered.

The afternoon registration will be at **1:00pm**

The registers will close at **1:10pm**

4. Pupils arriving after the start of school but before the end of the registration period will be treated for statistical purposes, as present, but will be coded as late (L) before registers close. Parents will receive a reminder letter if this occurs more than 5 times in each short term.
5. Parents/Carers must inform the school if their child is going to be absent on or before the first day. This must be followed up in writing to explain the reason for the absence. If no reason is given within 2 weeks the absence will become unauthorised.

6. When making medical/dental appointments, every effort must be made to ensure appointments are outside school hours but we acknowledge that this is not always possible. Medical/Dental appointments must be accompanied by an appointment card or other written confirmation.

Absence from School

Parents/carers will be asked to provide a minimum of two (preferably three) contacts for their child's record.

Parents/Carers must inform the school if their child is going to be absent on or before the first day and provide an explanation for the reason for the absence. If no reason is given within 2 weeks the absence will become unauthorised.

When making medical/dental appointments, every effort must be made to ensure appointments are outside school hours but we acknowledge that this is not always possible. The school may request to see a Medical/Dental appointment card or other written confirmation.

- **First Day Absence**

- Parents/carers are requested to call the school **as soon as possible**.
- **If the school has received no contact from the parent/ carer a telephone call will be made by the school office as soon as possible and by 10am to establish why the child is absent. This will take priority over other tasks in the office. Office staff should refer to additional guidance in reporting concerns about any child who is absent from school.**
- **If no contact has been made by 10am, the absence may become a safeguarding issue and will be reported to the Safeguarding Lead or Deputy Safeguarding Leads who will decide on an appropriate course of action.**
- Information concerning absence will be recorded in accordance with the schools systems.

- **Continuing Absence**

- The school may contact Oxfordshire County Council Attendance and Engagement Team (the "Attendance and Engagement Team").

- **Pupil Missing**

Any pupil who is absent without an explanation after 10 consecutive school days and the school are unable to make contact with the family must be referred to the Early Intervention Hub or the police to conduct a home visit.

Absence Notes

Absence notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period.

Frequent Absence

It is the responsibility of the staff team at St. Ebbe's to be aware of and bring attention to, any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve any concerns with parent/s. The Headteacher (or nominated member of staff) will liaise with the County Attendance Officer to ensure necessary action is taken when incidents of poor attendance and/or punctuality are identified.

Where incidents of poor attendance and/or lateness are identified through monitoring parents/carers will be notified in writing that this is a cause for concern. If this continues, the school will invite parents/carers in to discuss causes and ways forward.

Penalty Notices and Legal Action

The Law

The Education Act 1996 Part 1, Section 7 states:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable-

- [a] To his/her age, ability and aptitude and
- [b] To any special needs he/she may have.

either by regular attendance at school or by education otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

The legislation that appertains to children who are of compulsory school age and are registered at school is contained within this Act.

Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school.

In cases of persistent absenteeism, the school reserves the right to ask the County Attendance Team to either issue a Penalty Notice Warning which could result in a fine or further legal action through the courts.

A Penalty Notice is a fine that the County Attendance Team may decide to issue instead of taking legal action through the Magistrates' Court system.

A Parent/Carer can be issued with a penalty notice if:

- they fail to ensure that their child attends school, or other education provision regularly, usually defined as six or more unauthorised absence sessions over a six week period;
- they allow their child to take leave of absence during term time without the school's authorisation;
- they fail to return their child to school on the agreed date after a period of authorised leave of absence;
- their child persistently arrives late for school after registration is closed.

A pupil becomes a 'persistent absentee' (PA) when they miss 10% or more schooling across the school year **for whatever reason**. Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

The school monitors all absence thoroughly. Any case that is seen to have reached the PA mark **or** is at risk of moving towards that mark is given priority and parents will be informed of this immediately.

PA pupils are tracked and monitored carefully by the school and a parenting contract meeting will be offered between parent, pupil and school to try and help resolve any issues. All PA cases will be referred to the County Attendance Team and if necessary, they have a range of legal powers open to them to enforce attendance including parenting orders, education supervision orders and prosecutions. If convicted of an offence a parent could face a fine of up to £2,500 per parent and/or 3 months imprisonment.

A Welcome Back

It is important that on return from an absence that all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to other pupils.

Promoting Attendance

The school will use opportunities as they arise to remind parents/carers that it is their responsibility to ensure that their children receive their education.

Leave of Absence

As of 1st September 2013, the Headteacher will not grant any leave of absence during term time unless there are **exceptional circumstances**. Parents/Carers should discuss any leave of absence requests with the Headteacher prior to the leave of absence period in question and complete a form for our records via the school office.

Attendance Targets

The school will set attendance targets each year. A system for analysing performance towards the targets will be established and a senior school manager will be responsible for overseeing this work.

Our school's target for this academic year is: 96.5%

Register and Admission Roll keeping.

The legal requirements regarding register and admission roll keeping can be found in The Education [Pupil Registration] (England) Regulations 2006.

Categorisation of Absence

Any pupil who is on roll but not present in the school at the time of registration must be recorded within one of these categories:

- [1] Unauthorised Absence;
- [2] Authorised Absence;
- [3] Approved Educational Activity.

1. Unauthorised Absence

This is for those pupils where no reason has been provided, or whose absence is deemed to be without a valid reason.

2. Authorised Absence

This is for those pupils who are away from school for a reason that is deemed to be valid under the Education Act 1996.

3. Approved Educational Activity

This covers types of supervised educational activity undertaken off site but with the approval of the school. This would include:

- Field trips and educational visits;
- Sporting activities;
- Link courses or approved education off site;
- Most types of dual registration.

Note: Pupils recorded in this category are deemed to be present for attendance returns purposes.
