

Project Outcome Details

Parents are invited to the classroom so that children can share their learning with you at 2:30pm on **Tuesday 15th October.**

St Ebbe's
C of E (Aided) Primary School

Liffey and Congo

PE

Both year 1 classes will have PE on a Monday afternoon and Thursday. Please dress your children in their PE kits and trainers at home as this saves us a lot of time at school! Thank you

Project-related knowledge

Geography:

- Knowing direction and local area.
- Identifying the local area.
- Name and locate continents and oceans

Science:

- Name parts of the body.
- The role of bones.
- Identify body parts associated with 5 senses and name the 5 senses.

PSHCE:

- Develop self-awareness
- Being ok with making mistakes in learning
- When stuck, saying, 'I can't do this...YET'.

Inquiry Question and summary of project

How can we create a safe space so that everyone feels included?

Supporting transition by collaboratively creating a learning environment in which they feel safe.

Developing an understanding of themselves as a learner.

Suggestions for support at home

Talk to the children about the 3 school rules and how they help to create a safe school.

- Be responsible
 - Be safe
 - Be kind

Talk about making mistakes as part of the learning process and saying, 'I can't do this...YET'.

Reading

Alongside reading your child's book from school daily, please also read to them a range of different books. We have a lot of books in the classroom which can be borrowed at any point.

Spelling/Phonics

Please practise the sounds learnt at school throughout that week. Details can be found just inside the classroom doors or by asking the class teacher.

Number Facts

To enhance your child's number sense please practise reading and writing numbers to 20 to ensure they are the correct way round.
