Teaching priorities for current academic year

Measure	Activity
Priority 1	Plan and deliver projects that engage through; narratives which emotionally invest the pupils and support memory, giving rich opportunities for speaking and listening and formulating opinions.
Priority 2	Embed clear pedagogy around the teaching of maths (Mastery approach), reading and writing through a systematic, high-quality training programme.
Barriers to learning these priorities address	Poor communication skills and limited vocabulary, low engagement, lack of continuity, relevance to own experience and home/school disconnect.
Projected spending	£6,983

Targeted academic support for current academic year

Measure	Activity
<p>Priority 1</p> <p>Improved rates of progress in RWM</p>	<p>Targeted, research-based interventions in place for individuals and small groups of children to target core skills in Reading, writing and maths.</p> <p>Introduce Numskills maths intervention in Years 2 and 3</p> <p>Staff running interventions will be well trained and supported.</p> <p>Clear assessments in place at the start and end of the intervention to measure impact. PP Champion and SLT will monitor progress through interventions through termly pupil progress meetings.</p> <p>Class teachers will take responsibility for liaising with adults running interventions with their c'n to ensure learning is joined up with class work.</p> <p><i>41% (26/64) of our PP pupils have SEND which impact on learning</i></p>
<p>Barriers to learning these priorities address</p>	<p>Widening gap in attainment, gaps in basic skills, low language and communication skills on entry.</p>
<p>Projected spending</p>	<p>£41,339</p>

Wider strategies for current academic year

Measure	Activity
<p>Priority 1</p> <p>Social and emotional support</p>	<p>Extend the availability of social and emotional interventions including; Play therapy, Art therapy and Legoheads.</p> <p>Provide and develop calming spaces within school.</p> <p>On-going training and support for all staff on strategies for behaviour and emotional regulation and more focussed training around specific areas of need including; Autism and Attachment.</p> <p><i>67% (43/64) of our PP children also have social, emotional or mental health needs which impact on their well-being and progress.</i></p>
<p>Priority 2</p> <p>Attendance</p>	<p>Continue with clear strategy for improving attendance including; raising whole staff awareness of pupils at risk of declining attendance, system for dealing with persistent absence, HSLW responsibility for monitoring pupils' daily attendance and following up quickly on absences,</p>

	<p>Attendance contracts in place as appropriate and monitored by inclusion team.</p> <p>Continue to target walking school bus and breakfast club to children in receipt of PP to ensure good levels of attendance, punctuality and 'readiness to learn'.</p> <p><i>Current attendance 69% of PP pupils are at >90%, last year 70% >90%</i></p>
<p>Priority 3 Home-school links</p>	<p>Communicate curriculum projects clearly to PP parents, ensure they know when outcomes are happening and encourage attendance at these events. Use additional communication, if necessary, to ensure PP parents attend parent/teacher meetings.</p> <p>HSLW to build links with families from EYFS upwards and support attendance at school events.</p> <p>Craft Club and Homework Club targeted at PP families to facilitate communication and learning together.</p> <p>Subsidy of school trips, curriculum enhancement activities and places at after-school clubs.</p>
<p>Barriers to learning these priorities address</p>	<p>Personal, social and emotional development, poor attendance and punctuality, low parental engagement.</p>
<p>Projected spending</p>	<p>£53,508</p>

Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching	Ensuring adequate time and support is available for staff professional development.	Clear sequence of training in place and time committed in INSET, Staff meetings and release time. Support through SSIF project and BBO hub training.
Targeted support	Ensuring consistency both in frequency and quality.	Using specialist staff who are only available for intervention. Monitoring quality and impact and providing support if needed.
Wider strategies	Engaging the hardest to reach families and providing the level of expertise needed to support the most complex needs.	Full time HSLW also available through Breakfast Club and after school club to build relationships with families. Buying in expertise in the form of Child psychotherapist, Art therapist and Autism Champion.

Review: last year's aims and outcomes

Aim	Outcome
Pupils eligible for PP make higher rates of progress and more of them achieve GDS in core subjects.	Awaiting progress scores for PP but in-house progress scores show excellent progress for writing and maths. R 69% (9/13) W 85% (11/13) M 92% (12/13) 3 pupils achieved GDS – an improvement on 18/19
Improved speech, language and communication skills for pupils eligible for PP leading to improved standards in reading and writing.	91% (10/11) EYFS PP pupils achieved the Early Learning Goal in <i>Listening & Attention, Understanding</i> and <i>Speaking</i> .
Pupils eligible for PP demonstrate good social skills and emotional literacy in their learning, friendships and interactions.	There is a significant overlap in social, emotional and mental health needs and pupil premium. This area will continue to be a focus for pupil premium spending.
Increased attendance rates for pupils eligible for PP.	Attendance continues to be a barrier – pupil premium children are over-represented in the PA group. Spending for this year reflects this.
