SESA, our school PTA (Parents Teachers Association)

SESA arrange fundraising activities and fun events for the whole school community to enjoy. The money raised, funds much need items in the school for the children to enjoy playing with and learning from.

We are managed and led by parent volunteers and we are looking for new committee members and helpers to continue fundraising and arranging events for the community.

We'd like to encourage parents with children in the earlier years to volunteer.

Everyone is welcome and you can commit as little or as much time as you have.

We'd also like to have representation from all communities from across the school so we can ensure we're as inclusive as possible.

To contact SESA, please speak to Ellen Stevens on 07970 952381.

FUNDRAISING GOALS

Annual items: Forest school, Year 6 leavers t-shirts and Christmas books for all

One-off purchase: Funding a regenerated Imagination Zone on the playing field which will include a large climbing frame for the children to enjoy. We're looking for volunteers to help with clearing the area maybe in the Easter holidays – we'll share more information on this soon.
